

GIFFORD PARK ASSOCIATION'S ANNUAL

HISTORIC
HOUSE
TOUR

The event that's been promoting Elgin and its neighborhoods for 35 years!

SEPTEMBER 10 & 11, 2016

ELGIN, IL

About the Tour

- Gives dozens of people the incentive to relocate here and inspires many to invest in and restore one of Elgin's architectural gems.
- Educates visitors about Elgin's rich history and architecture.
- Staffed entirely by volunteers.

About the Attendees

The majority of our attendees are drawn from the greater Elgin area, with others coming from all over Northern Illinois and beyond.

About the Gifford Park Association

The Gifford Park Association is a nonprofit organization dedicated to showcasing Elgin's historic neighborhoods through programs, projects and educational outreach.

It is a three-time recipient of the Elgin Image Award for its positive promotion of the city and a four-time recipient of The Elgin Mayor's Award for its work in preservation and neighborhood rehabilitation.

Originally a small group of neighbors working to get its east side Elgin neighborhood on the National Register of Historic Places, GPA has grown to include members from all parts of Elgin as well as surrounding towns. And it prides itself on being a network for old-house lovers, bringing them together— not only for housewalk but for potlucks and porch parties, rehab seminars and work projects—to share experiences, contacts and often even tools.

For a detailed listing of how GPA invests its time, talent and money as well as for information about the homes that will be on this year's tour, please visit gpaelgin.org.

Take advantage of this unique marketing opportunity by becoming a sponsor.

Not only will you be contributing to the GPA's signature event, but you will also be showing your support for the entire community.
